Dear Friends:

Please join us on Friday, October 14, 2011 at 6:00 p.m., for our Fourth Autism Awareness Vera Bradley Bingo night. The event will take place at St. Patrick's Catholic Church located at 2844 Village Drive in Fayetteville. We are excited to offer another fun opportunity to win Vera Bradley bags in the latest designs along with other beautiful Vera Bradley products.

Autism Spectrum Disorder (ASD) is the second most common developmental disability and affects 1 out of 110 children. The Autism Society of Cumberland County is a non-profit incorporated organization committed to improving the lives of children and adults with ASD and their families. Because of the generosity of supporters like you, we are able to provide educational programs, support groups, parent mentors, resource and referral services, parent conference/workshop scholarships, a summer developmental day camp, teacher grants, classroom donations, and numerous other services to our families.

Please review the enclosed flier and sponsorship application. With all of the opportunities available, we hope that you will consider supporting our event this year. Please mail your completed application to our office by September 30, 2011. For tax purposes, the Autism Society of Cumberland is a non-profit incorporated organization as described in section 501 (c) (3) of the Internal Revenue Code.
